

## **Born to Shine!**

Dear daughter/son of mine  
Did you know you are truly divine?  
You're a child of God  
Whom we all applaud  
For you are meant to shine!

Did you know you're a precious gift?  
Born to help our world make a shift  
By sharing your light  
You'll shine love so bright  
That hearts will connect and uplift!

Be yourself, express the true you  
And discover what you most love to do  
Use this love to serve others  
Your sisters and brothers  
And great joy from within will shine through.
