(Sung to: *The Eensy Weensy Spider*)

*D* *A7* *D*  
I see the little bugs, they are crawling all around.  
*D* *A7* *D*  
I would like to catch them and show you what I found.  
*D* *A7* *D*  
But I know on the ground is where they ought to be,  
*D* *A7* *D*  
So that all the little bugs live with their families.

## Out in the Water

(Sung to: *Down by the Station*)

*C* *G* *C*  
Out in the water, early in the morning  
*C* *G* *C*  
See the baby whales ~ watch them play.  
*C* *G* *C*  
Splashing in the water, playing with their parents.  
*C* *G* *C*  
Tired little whales at the end of the day.
