

Beach Monster

I saw a monster in the waves
When I went to the beach one day.
I was sure it was a monster,
So I just ran away!

And then I thought I'd take a look,
To see if I was right.
So I crept a little closer,
And I saw an awful sight!

A great big, green thing coming near,
I was sure it was headed for land.
So you can understand how surprised I was,
To see a rubber raft drift to the sand!
