

Celebrate Me!

We celebrate Our Uniqueness, Our Special Qualities, Friendship, Our Differences, Families, Our Classroom

Not Just "Any Kid"

(Sung to: Sing a Song of Sixpence)

G
I am still a kid,
D
I'm growing every day.
D
I live with my family.
G
I go to school and play.

G
I know that I'm special ~
D
I am myself, you see!
D
So, I am not just "**any kid**",
D G
I'm thankful that I'm me!

Look Into My Heart

Look into my heart...
Past the color of my skin
Don't notice how I look outside,
But how I am within.

Forgive the way I speak because
I learn new words each day.
I'm proud to live here in your land
Free to learn and play.

I may not look like you do...
And you don't look like me.
But look deep down into my heart
And tell me what you see.
