

God Gave Us His World

(Sung to: My Bonnie Lies Over the Ocean)

D *G* *D*
God gave us His world to take care of,
D *E7* *A7*
He gave it to each boy and girl.
D *G* *D*
He made all that we see around us,
E7 *A7* *D*
It's our job to take care of His world.

D *G*
We will promise,
A7 *D*
To care for this world that He gave, He gave.
D *G*
We'll work hard and ~
A7 *D*
God's world we will promise to save!

We must take care of it.

A Rainbow For Me

God, did you paint that rainbow
Especially for me?
You used my favourite colours,
It's up there for me to see.

I think You made that rainbow
To show me that You care.
Oh, how I love that rainbow,
But I think that I will share.

So, thank You for my rainbow,
I know it's just for me.
But You can leave it in the sky
For everyone to see!
