## Easter Bunny Thoughts

(A Poem)

I was wondering late last night,  
When I was supposed to be in bed,  
If the Easter Bunny has a name  
And is it Sue or Fred?

And I was thinking in the bathtub,  
When I was supposed to scrub and clean,  
Is the Easter Bunny a girl or boy,  
Does he dress up for Halloween?

I was thinking after supper,  
When I was supposed to do my Math,  
Does the Easter Bunny have a Mom  
Who makes him take a bath?

I'd like to find the Easter Bunny,  
Maybe if I tried...  
I'd get all my questions answered,  
And I'd be satisfied!

## Easter Bunny Soft and White

(Sung to: *Twinkle, Twinkle*)

C                      F              C  
Easter bunny soft and white,  
G7              C              G7              C  
Hopping quickly out of sight.  
C                      F                      C              G7  
Bringing treats and goodies too.  
C              G7              C              G7  
I wish I could play with you.  
C                                      F              C  
Turn around, don't hop away,  
G7              C              G7              C  
Maybe you can stay and play!
