G
I'll tell my students, "Bye" and ~
D
I'll miss them it is true.
D
And even though I love to teach,
D G
I love the summer too!

If all the teachers want to sing this to a group of students, the "I" can be changed to "We" (with all the appropriate changes)

Last line can be changed to:
"I love vacation too!" if that is more suitable
