

God Made Us the Same

(My Bonnie Lies Over the Ocean)

D G D
In our class we have many children,

E7 A7
We're different but really the same.

D G D
In our class we have many children,
E7 A7 D
And we know every person by name.

D G A7
But inside, inside, yes, inside our hearts

D
We're the same, the same ~

D G
Inside, inside,
A7 D
It's inside God made us the same!

Jesus is a Friend of Mine

(Sung to: Mary Had a Little Lamb)

D
Jesus is a friend of mine,
A7
Friend of mine,
D
Friend of mine.

D
Jesus is a friend of mine,
A7 D
He died for you and me.

I love Jesus

D
Thank you Jesus I will say,
A7
I will say,
D
I will say.

D
Thank you Jesus I will say,
A7 D
You gave your life for me.

Noah

(Sung to: Down by the Station)

C G C
Down by the water, early in the morning
C G C
Noah brought the animals ~ two by two they came.
C G C
They climbed aboard the ark and snuggled with each other.
C G C
And then for forty days and nights it would rain.

Noah's Ark

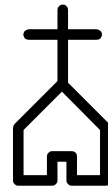

When Should I Pray?

Should I only pray in the morning?
Should I only pray at night?
Should only pray when it's dark outside?
In my room when I turn out the light?

Or can I pray whenever I want to?
When I hear God talking to me?
I don't always have to pray in a Church
And I don't have to be on my knees.

So, I'll pray when I've got a question,
And there are things that I've got to sort out.
But I'll also pray when I just want to talk
And tell God what I'm thinking about.
