

Good Morning Dear God

Good morning, Dear God,
It's a beautiful day.
What are You doing?
I'm going to play.

Good morning, Dear God,
I just looked outside.
There are swings in my backyard
And I've got my bike to ride.

I'm going to be busy,
I've got a lot to do.
But even when I'm playing
I will think of You.

I'll think of You each time,
I look around and see,
The trees and the grass,
And the world You gave to me.

Sing to God

(Sung to: Sing a Song of Sixpence)

G
Sing to God each morning,
D
Sing to God each day.
D
Sing to God with all your heart
G
When you sing you pray.
G
And when the day is over, there's nothing more to do,
D
Sing to God and give Him thanks for what He gave to you!
