

I'm Going to Help My Mom

(Sung to: *The Eensy Weensy Spider*)

D *A7* *D*
I'm going to help my Mom 'cause today is Mother's Day.
D *A7* *D*
I'll help to cook and clean and I won't go out and play!
D *A7* *D*
But, look the sun is shining and my friends are calling me,
D *A7* *D*
Are you okay without me Mom? ~ it's an **EMERGENCY!**

I Love You More Than...

(for *Valentine's Day*)

I love you more than broccoli,
And green beans, spinach too!
I love you more than carrots,
And lima beans, it's true!

I love you more than turnip,
And pickles, oh so sweet!
And I love you more than cauliflower,
And squash and pickled beets!

Now you may think it's strange
To love you more than these.
But I love all the foods I mentioned,
Did I tell you I love cheese?

So, if I love you more than all
The foods that I adore...
You must understand these words ~
I love you, that's for sure!
