

I'm learning  
how to count!

## Numbers Up and Down

I'm learning how to count,  
From zero up to ten.  
I start from zero every time  
And count back down again.

Zero, one, two, three...  
Four and five, I say.  
Six, seven, eight and nine,  
Now I'm at ten ~ Hooray!

But, I'm not finished, no not yet,  
I got right up to ten.  
Now I must count from ten back down  
To zero once again!

Ten, nine, eight, seven...  
Six and five, I say.  
Four, three, two, one,  
**Zero – Hip Hooray!**
