

It's Thanksgiving

(Sung to: *You Are My Sunshine*)

Oh, it's Thanksgiving, I love Thanksgiving,
And we will all join hands today.
We will say "Thank You", and count our blessings,
Because Thanksgiving is a special day.

Thank You

(Sung to: *Twinkle, Twinkle*)

"Thank You" are the words we say,
Not just on Thanksgiving Day.
"Thank You" are two magic words.
Say them loud so they are heard!
"Thank You" are the words we say,
We give thanks in many ways!
