

Thank You God

a poem of thanks

Thank you God for my friends
And my family.
I thank you God for lots of things,
And especially for me!

For trees and sunshine all around,
For rain to help plants grow
And thank you God for loving me ~
I think that you should know!

It's Thanksgiving

(Sung to: You Are My Sunshine)

Oh, it's Thanksgiving, I love Thanksgiving,
And we will all join hands and pray.
We will say "Thank You", and count our blessings,
Because Thanksgiving is a special Day.
